General Report Comments: There was two dogs on this property and the adult dog named Laila's body condition is fair and acceptable. The puppy was inside the house and I asked Ashley to open the garage door for me to check if there is no animals inside. The puppy looked sick and I convinced Ashley to sign over the puppy and he agreed. Ashley also agreed to have Laila sterilized. I issued Ashley with a warning for not seeking vet treatment. I will go back on Monday with a steri concern form
