General Report Comments: I was granted access to the property by Mrs. Fransman who is the owner of the dog. I asked Mrs. Fransman if i can see the dog,and we went to the back of the property where i observed 1x brown terrier x male on a running chain. The dog has shelter available and his body condition is acceptable. The only issue i has was the raw chain around the dogs neck. I educated Mrs. Fransman about a collar and issued warning W6804 to provide Max with a proper collar. Will follow up.
