General Report Comments: The owner Mr. Pietie Bester granted me access to the property. On the property I observed 3x dogs. The white and brown pitbull that the complaint is all about is in acceptable condition and is not underweight. The other 2x dogs is also in a acceptable condition. The dogs have water, food and shelter available. Mr. Bester told me that the pitbull male is 10 years old and is not as active as he used to be, but he is certainly not sick. The pitbull did not appear to be sick and was acting normal for a dog that age. No welfare concerns was observed. Nfa until further notice.
