General Report Comments: There is two adult male dogs on this property. The dog named Junior is on a short static chain with a collar on. Junior does not have shelter as he is sleeping under the bakkie where he is tied to. Chico is in an enclosure at the back of the property. He does have access to fresh drinking water and shelter. Both dogs body condition is fair and acceptable. The living environment is clean.I issued a warning advising Mrs Engelbrecht to
(1) provide adequate shelter for Junior
(2) remove Junior from the short chain
