General Report Comments: On my arrival in Malmesbury Tinktinkie Street, I saw a dog lying on the side of the street, the animal appears physically conditionally not looking good, it's body condition also appears very thin and with some hair loss, and ticks/fleas on its external body. A lady by the name of Tamryn Stanley claimed that the animal is under care of her mother but it's not their animal, they just welcomed it and trying their best to look after the animal.
