General Report Comments: I was at property and John Cloete's wife who introduced herself as Sally Cloete informed me that I must call her husband on 0843683213. I phoned Mr Cloete and he informed me that I must leave his dogs alone. I couldn't gain access into the property but I saw the two dogs through the spacing on the inside woodern gate. The dogs body condition looks the same as from my previous inspection. They are both underweight. I issued another warning informing Mr Cloete to:
(1) provide adequate dog food and show me the dog food on my next inspection
(2)deworm both dogs
