General Report Comments: On my arrival doing door to door welfare inspection, I went to house no 8909 sebukhwe street in Malmesbury, unfortunately no one was available in the premises as the gate was locked and I couldn't gain access to enter the premises, on the side of the gate, I observed a female brown/white pitbul breed dog, on a static short chain not even chained to the collar, water was not available, the dog living environment looks dirty, dog chained on a short chain to the fence. I issued a notice to comply and left it at the gate. Refer attached.
