General Report Comments: I saw 1x black and brown terrier x female lying in front of a house. I stopped and asked the lady next door who the dog belongs too,because there were no people at the house the dog was lying. The lady told me that the dog belongs to some guy called,Maselino who lives there,but he is not at home right now. Inside thr property I observed water and shelter. The female terrier x has a skin problem. I issued warning W6808 for the owner to provide the female terrier x with adequate treatment for the skin problem. Will follow up.
