CHECKLISTS

General Report Comments: Mr Arno contacted me and informed me that his cat is very old and he can't waste his money knowing the cat is old. He told me that only if the SPCA is going to pay for the vet fees is he going to take the cat. I went back to the property and I met Arno's helper Abigail and who informed me that she hasn't seen the cat as it might be on top of the garage. I issued another warning after discussing this case with inspector October.
