General Report Comments: After receiving the complaint I went to the industrial side in Malmesbury at property number 31 Schoonspruit and I observed a calf in an enclosure of about 1,5m×6m. I observed fresh clean water, food(cubes and oathay) and a kennel. I also observed a big tree which ptovide shade for the calf. I went to the entrance where I got Mr Leonard Van Wyk's contact details and I spoke to him. He informed me that the calf was blind and is on treatment. He informed me that the calf was treated by Dr Ida Gloower from Octavoscene whose contact details are 0224822467. I discussed this case with Inspector October and he will call the vet to confirm
