General Report Comments: On my arrival doing door to door welfare inspection, I went into the house no 65 Falk street in Malmesbury, I was welcomed by the owner of the premises as the owner of the dog Mrs Malie Albertus, I then observed a female black/brown adult dog with a chain around its neck roaming freely in the premises, shelter was available, water was available, the environment was clean, I educated the owner and asked I she will be able to render adequate veterinary treatment or to feed the dog with adequate enough dog food, the owner then said the dog is troubling her by jumping the fence to the street biting people, is better if I take the dog as a surrender, I then took the dog to the spca.
