General Report Comments: On my arrival doing door to door welfare inspection, I went to the house number 19 buite street in Riebeek West, I was welcomed by Mrs Philander wife of the owner of the dogs, I saw 3 dogs(2 puppies and one adult dog), only one black/brown male puppy appeared physically looking sick, and other dogs were good in condition with no veterinary or health concerns.
The water was available, and adequate food was available, shelter was available but did not look adequately good and the inside of the shelter was also having physical hazard elements inside. I issued a notice to comply and gave it to Mrs Philander, refer attached.
