Comments:	I went to this property and Mariana was not at home. I tried to call her but she didn't answer her phone. Her daughter Mareza informed me that her mother is aware that the SPCA will come to fetch the dog . She signed the admission form as I could not leave without the dog. I also issued a warning advising the owner to seek vet treatment for any sick or injured animal in her care in future. The admission number is E3174
