General Report Comments: There was no people at home and I had to get into the complainant's property in order for me to see inside property number 3. I observed a male German Sheperd dog that was loose. I observed water and shelter. I also observed some old dog feces lying around which I issued a warning for. After I left the property, the owner Ms Louise Bloem contacted me and informed me that she did not clean the property the past week as she was busy at work but she claimed she and her neighbour had a dispute. I issued a 24hour warning to be followed up by Mpho.
