General Report Comments: Ayavuyisana who is son to Sabelo was at home and allowed me to do the inspection . The dog named Ninja is still on a long static chain with a collar around his neck. The dog has gained a lot of weight and is in a good body condition. I observed fresh drinking water,shelter and food. The wounds that were on the dog's ears has dried but Ayavuyisana informed me that he still applies the spray once every three days. There is no contravention of the APA
