General Report Comments: The owner has adhered to the warning and provided the dog Myha with adequate dog food and has also dewormed the dog. Water, food and shelter is available. Myha is on a long static chain with a collar because she keeps on getting out of the yard, then she roams the streets and becomes a problem for neighbours. I will do a recheck within week to see if there is any progress in Myha's body condition. Will follow up.
