General Report Comments: I was met by Mr. Philander who is the owner of the dog in question. I saw 1x white and brown border collie x male in dire situation. The dog is old and underweight and can barely walk. I told Mr. Philander that he must make the decision to put the dog to sleep as this situation is only prolonging unnecessary suffering. Mr. Philander decided it's time to let go of his beloved dog. The dog was taken to the SPCA for PTS request. I put the dog to sleep. NFA until further notice.
