General Report Comments: Both dogs were running up and down in the street chasing people when I arrived at this property. I asked Corneleus why the dogs are in the street and Whitey is limping and she informed me that her property is not fenced and she suspects that Whitey was hurt by someone in the street. She didn't seek any treatment for the injuries sustained by the dog. I convinced her to surrender both dogs and there is no animals left on the property.
