General Report Comments: On my arrival, I was welcomed by Mrs Limnandi, the dog was not in the premises because the premises is not adequately fence and the dog is freely roaming, the daughter said the owner took the dog to the veterinary clinic in Malmesbury before 8am morning before he goes to the work, unfortunately when he arrived the vet clinic was not opened, and he had to bring the dog back home before he gets late to work. Owner also contacted that he tried to take the dog to the vet before he goes to work but unfortunately the vet clinic was still closed, he said he will try to take the dog to the vet as soon as possible when he gets time before 25 of March 2026 due to his financial difficulties, he will be financially good on the 25 March 2025 or possibly before the date mentioned.
