General Report Comments: On my arrival doing door to door welfare inspection in Malmesbury, I went to the house no 5 kraansvoel street, I was welcomed by Mr John Barendse the owner of the dog, I saw a brindle male Africanis breed dog lying in the house, the owner said the dog is bleeding and has an open wound on the right leg, I advise and convinced the owner that he needs to take the dog to vet clinic, unfortunately the said he is not financially stable, then I advised him to surrender the to the spca, the surrendered the dog same time and I took the dog to spca custody.
