General Report Comments: Jolin bought some Nexgard tablets for all three dogs. There was no ticks on all three adult dogs. Jolin informed me that he was going to buy dog food today. There was an extra puppy that I didn't see the last time that I did the inspection. Jolin surrendered four puppies and two kittens. I am going back on Wednesday to check if there is dog food available. Jolin informed me that he didn't take the dog to the Vet after he was advised by Ella from Langebaan Animal Care that he must get Nexgard instead of taking the dog to the vet.
