General Report Comments: Jolin was said to be at work and I spoke with his mother and his girlfriend who introduced herself as Chantal Blaauw. The female dog named Lexie hasn't picked weight and is thin. I explained my next step of action as there was no improvement on the dog's body condition. Jolin's mother and Chantal decided to surrender Lexie. I tried to call Jolin but he didn't pick up his phone. I observed the two puppies and the two adult dogs. All the dogs body condition is fair and acceptable except Lexie. I observed water and shelter. I asked Jolin's mother if there was some dog food available but she informed me that she was going to buy meaning there was no food available. I will go back to see if we can sterilize the remaining dogs.
