CHECKLISTS

General Report Comments: On my arrival to the farmers area, I could understand which farm to go to since I tried to go into the farm that had too many gates away from each other, and I tried to drive in the farm but couldn't find the houses or even the sheep's or any animals, I couldn't go further into other gates as the is an outbreak of foot-and-mouth disease. I tried also to contact the complainant but he/she did not answer my calls or nor return my calls back.
