General Report Comments: I saw this black and brown terrier x female inside the property. Upon closer inspection I saw that the dogs living area is dirty, dog feces all over which indicated to me that the female terrier x living area has not been cleaned regularly. There is water and she later available for the dog and her body score is acceptable 3/5. I issued warning W6819 for the following.
* To clean the female terriers x living area within 48 hours.
Will follow up.
