General Report Comments: When I arrived there was only two dogs on the property. There is no gate at this address and the dogs are always in the street. Ayabonga decided to surrender the male dog named America as he is the one with bad mange. There is two dogs left on the property but I observed only the brindle dog. Water, food and shelter observed. Ayabonga informed me that his wife was in Vredenburg to buy dip for the dogs. I will go back to recheck
