General Report Comments: I saw 1x black and white female terrier x on the side walk. Upon closer inspection I saw that the dog has severe mange. I stopped and a lady called,Jolene came out. Jolene told me that the dog called, Britney belongs to her cousin but he is not at home. I asked Jolene if her cousin can afford a vet and she said no,we can take the dog because she has spoken to him on numerous occasions about the dog and that he must make a plan to get the dog some help. Jolene decided to surrender Britney. Refer to admission E3237. NFA until further notice.
