General Report Comments: I found the owner Owen Oerson at home and asked him if he had found the warning that was issued to him, regarding the condition of his dog. Owen said yes he did receive the warning but financially he won't be able to afford a vet and would rather surrender the dog. Refer to admission E3238. Owen told me that he has another female also with a skin problem that he wants to surrender, but the dog is roaming the streets. I told Owen to confine the dog so that I can come fetch the dog. Will follow up.
