General Report Comments: Zerelda who is the mother of Pravash and the owner of the dog was not at home. Pravash allowed me into the property to do a welfare inspection on the dog. The dog named Zoey has a bad skin condition and Pravash informed me that they are struggling financially but he couldn't make a decision on surrender the dog. I observed water and shelter. The living environment is clean. The dog is running freely inside and outside the property as there is no proper fencing on the property. I issued a warning advising Ms Zerelda Booysen to seek vet treatment for the skin condition on Zoey
