General Report Comments: There were no people at home and I went the next door neighbour at 37 Sound of Jura street and I spoke with Mrs Potgieter who gave me the contact details of the owner at number 35 Sound of Jura street. I phoned Mr Craig Crowster and he informed me that he was on his way to Cape Town . I observed two dogs inside the property a Staffie and a Malinois . Both dogs body condition is fair and acceptable. I observed water,food and shelter from outside the property. Mr Craig gave me the dogs details over the phone and he informed me that there is someone looking after the dogs up until he comes back on friday but he doesn't want people into the property when he is not at home. The living environment is clean. There is no walfare concern but I will go back on friday when Craig is at home to do a proper inspection
