General Report Comments: While doing door to door I came across this white and black Jack Russel x female lying under a tree inside the yard. I got out of my vehicle,I called out but no one was at home. I did close up inspection of the dog and saw that she has a skin condition. Water and shelter was observed inside the property. The dogs body condition is acceptable. I issued warning W6842 to provide the dog with treatment for the skin condition. Will follow up.
