General Report Comments: On my arrival, I was welcomed by Mr Christiaan, Mr Christiaan contacted the spca after hours phone that he has a dog that keeps falling when it walks, he then said due to his financial challenges he can't afford veterinary treatment then in that case, he then request the spca to come fetch his dog as a surrender, but unfortunately when I arrived at his property, the kids and some of the family members, they insisted that I can't take the dog even though Mr Christiaan requested that I can take the dog, I then issued Mr Christiaan as the owner of the dog with a notice to comply. Refer attached.
