General Report Comments: On my arrival doing door to door welfare inspection in Malmesbury, I went to the house no 5944 Jakaranda street, no one was available in the premises, I then observed from outside the premises over the fence, I saw a Brown and white Africanis dog on a static chain of about 4 meters light long chain with a collar to a tree, water was available, shelter was not available, Under the tree there was also a red cloth on the soil. I then left a notice to comply with the neighbors to hand it over to the owner of the dog.
