General Report Comments: Inspector October contacted Mr Charl Abdol and he informed Inspector October that he no longer want to surrender the dog and he got treatment for Bolo's eye condition. I then went to his property where I met Charmelee and she showed me the medication from Vredenburg Animal Hospital. I then asked Hanneitjie to confirm if the ointment was purchased at the Vredenburg Animal Hospital but they said noone bought the ointment from them the past two days. I will discuss this case with Inspector October as Mr Abdol doesn't understand english. Charmelee informed me that the ointment is administered for 5days two times a day.
