General Report Comments: On my arrival, I was welcomed by Mrs Iline family member, I observed 5 cats all black and white, the cats looked semi feral and the all appeared physically looking good in condition, I educated Mrs Iline that if they want to minimize the number of the cats, she may try to get to feed the cats in enclosure place for some few days until they get used to that place and close them inside and contact the spca as soon as possible immediately.

ACTIONS

OWNER EDUCATED

REPORT OUTCOMES

No welfare concerns found - NFA
