General Report Comments: On my arrival, I saw a black&brown male Africanis dog lying in front the gate outside the yard , and sometime, a lady by the name of Nadine came to the gate from the house together with another lady by the name of Sumaa Evits, Nadine 24 years old regarded as a daughter of Mrs Rugaya Salie, I contacted Mrs Rugaya and she said they keeping or locking the dog outside the property during the day until late evenings because that are renting and the landlord does not want the dog in her property (the complainant is a landlord). The landlord also came and said she does not want the dog in her premises, therefore Mrs Rugaya said over the phone that I can take the dog as a surrender her daughter will sign the admission form, I then took the dog with me to spca Darling.
