General Report Comments: Upon arrival I went to the farm house to see if the owner is at home. The owners bakkie was parked in front of the house but nobody came out. On the farm I observed+- 30 cattle in acceptable conditions. Water and food is available. I contacted the complainant to ask her where the cow is that is lying down,she referred me to a guy called Jannie who saw the cow,she has not seen the cow herself. I contacted Jannie and he explained to me where the cow is,I went as per his directions and found the cow,the brown and white cow was already deceased upon arrival. I contacted Jannie again to tell him that the cow is deceased and he told me that the cow was still alive on Wednesday when he saw the cow,I asked him why he didn't call the SPCA on Wednesday and he said that he asked the complainant to contact the SPCA. NFA until further notice.
