CHECKLISTS

General Report Comments: Upon arrival I found the owner Waylin at home I asked him about the dog in question and he told me that the dog is roaming the streets. I asked him about the ticks on the dog and he told me that the lady, called Mrs. Williams who is also the complainant gave him some dog dip and he dipped the dog. I did not see the dog on the property. Just to confirm I went to Mrs. Williams residence that's only a house away from Waylins house to confirm if what Waylin said is true. Mrs. Williams the complainant confirmed that she bought Supadip at Kaapagri and that she went over to Waylins house so that he can dip his dog. Attached is a picture of the dip that was being used. Will do a recheck to see if the dip is working on the external parasites.
