General Report Comments: On my arrival, I was welcomed by Mr J Dekock, he immediately said to me that there is a puppy that looks sick in their property, he then said I must take the puppy because it looks sick and suffering, I observed a black and white puppy named Layla, it looked physically not a good in condition (it was weak and passing loose diarrhea). Water was available, shelter was available in a form of varenders, living environment was cleaned. I then collected the puppy and brought it to the spca Darling.
