General Report Comments: There are three dogs on this property and all three are running loose. The dogs were inside the house when I arrived and the brown dog ran out chasing a cat and never came back. All three dogs are aggressive. Both male dogs names is Storm according to Bradley. The dog named Chloe looked sick and I convinced Bradley to surrender the dog after he confirmed to me that he doesn't have the money for the vet fees. I issued a warning advising Mr Bradley to seek vet treatment for any sick or injured animal in his possession in future.
