General Report Comments: I was met by Mrs. De Bruin who is the owner of the dogs. I asked Mrs. De Bruin if they had adhered to the notice to comply that my colleague has issued and she said that her husband couldn't get time off work to take the dog to the vet. Both dogs are loose on the property. The black white pitbull male has a growth under his neck and also by his private parts. The growths looks like cancer growths. I explained to Mrs. De Bruin that I'm going to issue them with. 72hour warning to seek veterinary treatment for the dog,I also have her the option to surrender the dog I'd veterinary treatment is not affordable. I also explained to Mrs.De Bruin that if the dog is not going to be taken to the vet,that we will go for a warrant to remove the dog to receive veterinary treatment. Will follow up.
