General Report Comments: On my arrival, I was welcomed by Mrs Bruin, she said the dog was not taken to the veterinary clinic because her husband did not make it to come back home. She then said, her husband want to see the dog first before the spca takes it should they not manage to render veterinary treatment for the dog.
Mrs Bruin also mentioned that tomorrow referring on the 15/04/2026 if her husband does no come back home, then the spca can come take the dog as she is willing to surrender the dog.
