Inspector:	MPHO BALOYI

Type:	COLLECTION - ANIMAL COLLECTED
Follow-Up Date:	
Comments:	Owner contacted the spca office line that she has an injured dog (runned over by a car) therefore she wants the spca to come take the dog as a surrender and doesn't have a transportation to bring the dog to the spca. I went collected the dog and took it to veterinary clinic Malmesbury to be euthanized.
