General Report Comments: On my arrival, I did not find anyone in the property, I then observed from outside the street 2 horses standing under the shelter builded with wooden poles and shade netting. Only the one side was covered with a net and roofing was used as a net.
The rain was able to come through the net and wetting the horses.

Water was available, living environment was cleaned. All the horses appeared physically looking good in condition with no veterinary problems or health concerns.

I issued a notice to comply and left it at the gate, refer attached.
