General Report Comments: On my arrival I was welcomed by Mr Keff Kevir the owner of the dogs, there I observed 1 adult brown & white female dog terrier cross breed with its 11 puppies, all the dogs appeared physically looking good in condition with no veterinary problems or health concerns.
The environment was cleaned, water was available, and shelter was also available.
The owner asked me if I could take all 11 puppies as he does not want them, I then admitted all 11 puppies each as surrenders by the owner, and I brought the puppies to Darling spca.

I educated the owner about sterilization for an adult female dog, he said he will think first.
