General Report Comments: Upon arrival I was met by a lady called Christolien who is the owner of the puppy. We went inside the yard where I saw 1x brown terrier x puppy loose on the property. Water, food and shelter is available. The puppy's body condition is acceptable. Christolien took me to the enclosure where the puppy sleeps at night. The enclosure was clean with a mattress and blanket for the puppy to sleep on. The enclosure is also big enough for the puppy. No welfare concerns were observed. I contacted the complainant with my findings. NFA until further notice.
