General Report Comments: Upon arrival I saw 1x brown terrier x male on a running chain with a collar. The dog went inside his kennel. I hooted and a man called Benjamin Botha came out and said he is the owner of the dog. Water and food is also available. I asked Mr. Botha why the dog is on running chain and he told me that his property is not fully enclosed and that the dog keeps on escaping and causing problems in the village. The brown terrier x is not on a short chain and has easy access to his kennel. I called the complainant with my feedback. NFA until further notice.
