General Report Comments: Upon arrival I saw 1x black and tan German Shepherd mix dog standing in front of a gate, as I got out of my bakkie the dog wanted to attack me. I hooted and the owner who introduced herself as Marche came out. I asked her if the dog belongs to her and she said yes. She took the dog inside the house and came to meet me at the gate. I told Marche why I'm here and asked her if the dog has shelter and she said yes and showed me. The dog has a kennel. No welfare concerns were observed. I contacted the complainant and he went on about the dog that is always in the street and that the dog attacked a municipal worker. I told Mr. Steven that he should call law enforcement with those kind of issues. I told him that the dog does have shelter. NFA until further notice.
