General Report Comments: Mr. Rudolfs employer brought him home because his wife could not handle Chucky the male pitbull dog that they want to surrender. We loaded Chucky into the bakkie, and I went with Mr. Rudolf inside the yard to do a welfare check on the other dogs on the property. Inside the house was a black terrier x male puppy that is about 3 months old and outside is another pitbull female called Mia. Mia and the puppy's body conditions are both acceptable. Water and shelter is provided. I asked Mr. Rudolf if he would like to sterilize Mia if we can help him and he agreed. I asked Mr. Rudolf if he has food for the dogs and he said not at this moment and that he still needs to go buy food. I issued warning W6351 to provide the dogs left on the property with adequate dog food. Will recheck.
