CHECKLISTS

General Report Comments: Upon arrival I was met by Mrs. Wagenaar who introduced herself as the owner of the property . I asked Mrs. Wagenaar if she has any cats and she said no,the cats that she and Barbara another tennant feeds are feral cats and they only come here when they feed them. Mrs. Wagenaar told me that some of the cats have kittens,and that they have been feeding the stray cats for some time now. I explained to Mrs. Wagenaar that they will keep coming back because they are feeding the cats and she told me that they don't mind feeding them otherwise who is going to feed them. There were no cats on the property,or inside the house. I contacted the complainant and explained to her the situation and told her that she must contact law enforcement because these cats don't belong to Mrs. Wagenaar and therefore they are feral,and seen as strays. NFA until further notice.
