General Report Comments: Upon arrival I was met by Ms. Fredericks who also stays on the property. I asked Ms. Fredericks if the owner has abandoned his dogs and she said no,the owner Charles and his wife had to leave for Greyton immediately because his father in law has passed. Ms. Fredericks told me that she and her aunt, Charles mother Mrs. Natuur is at home and that the dogs are not being abandoned. There are 3x dogs on the property. I only saw the 1x dog called Ranger inside the yard,water and shelter is available. Body condition is acceptable. I asked Ms. Fredericks where the other 2x dogs are and she said they roaming around because the property is not fully enclosed. As we got out from the yard Ms. Fredericks showed me one of the dogs that were running to the other street. No welfare concerns observed. I contacted the complainant and told her that the dogs are not abandoned and she said she thought that the owners has just left the dogs. I also told her that if the owners has left but their is someone who is looking after the dogs,it's not seen as abandonment. NFA until further notice.
